

DIDIER DEMESMIN, M.D.

78 Easton Avenue

New Brunswick, NJ. 08901

ddemesmin@yahoo.com; ddemesmin@longcall.com

EDUCATION:

University of Medicine and Dentistry of New Jersey

May 2000

Robert Wood Johnson Medical School, Piscataway, New Jersey

Medical Doctor Degree

UNDERGRADUATE EDUCATION:

Rutgers University

May 1994

New Brunswick, New Jersey

Bachelor of Arts in Psychology

Secondary field in Biological Sciences

POSTGRADUATE TRAINING:

Columbia University College of Physicians and Surgeons

Aug 2004 – Jul 2005

St. Luke's – Roosevelt Hospital Center

The Manhattan Center for Pain Management

New York, New York

Fellow, Pain Management

SUNY Downstate Medical Center

July 2001 – July 2004

Brooklyn, New York

Resident, Department of Anesthesiology

Saint Vincent's Hospital and Medical Center

July 2000 - July 2001

New York, New York

Internship in Obstetrics and Gynecology

BOARD CERTIFICATION:

Diplomate, American Board of Anesthesiology

Subspecialty certification in Pain Medicine by the American Board of Anesthesiology

LICENSURE:

New York State Medical License, Active

New Jersey State Medical License, Active

EXPERIENCE:

Interventional Pain Management Practice

Aug 2005 –

present

Milltown, New Jersey

- Perform vertebroplasty (thoracic, lumbar), percutaneous disc decompression (cervical, lumbar), provocative discogram (cervical, lumbar), implantable devices, sympathetic blocks and various other interventional pain management techniques.

Research in Preventative Medicine

Sep 1998 –

May 1999

Robert Wood Johnson Medical School-Department of Family Medicine

- Reviewed literature on cigarette smoking patterns and mechanism of smoking cessation.
- Prepared and presented a review article at the family practice grand rounds.

Biomedical Careers Programs

Summer 1996

Robert Wood Johnson Medical School/Rutgers University

Instructor in Microbiology and Introduction to Chemistry

- Conducted lectures and laboratory experiments in Microbiology and Introduction to Chemistry to college students from various institutions.

Summer Fellowship in Toxicology

Summer 1995

Environmental and Occupational Health Science Institute of New Jersey

Research assistant in toxicology

- Conducted experiments in toxicology research including induction of Cytochrome P450 system in research animals.

Research Assistant

Fall 1994

Environmental and Occupational Health Science Institute of New Jersey

- Assisted in animal experimentation and surgery.

Research in Biological Sciences

Summer 1993

Rutgers University/Robert Wood Johnson Medical School

- Worked on a research project on Systemic Lupus Erythematosus.
- Performed animal surgery, RT PCR, gel analysis in order to examine the mechanism of estrogen on the pathogenesis of lupus.

Volunteer in Physical Therapy Department

Summer 1993

Robert Wood Johnson University Hospital, New Brunswick, NJ

- Administered therapeutic exercises to patients, provided patients with encouragement and support.

COURSES, LECTURES, AND PRESENTATIONS:

- Latest Advances in Pain Medicine** *Nov 2007*
Central New York Academy of Medicine CME Lecture
Utica, NY
- Latest Advances in Pain Medicine** *Oct 2007*
CME Grand Round presentation
JFK Medical Center, NJ
- Interventinal Pain Medicine Cadaver Lab** *Sep 2007*
Instructor of Interventional Procedures to Pain and Spine surgeons
The Center for Ambulatory Resources (CARES)
St. Peter's University Hospital, NJ
- Poster Presentation: Percutaneous Lumbar Disc Decompression using SpineJet Microresector** *Jun 2007*
Presented results and technique on Percutaneous disc decompression at the International Intradiscal Therapy Society (IITS)
Albi, France
- Percutaneous Disc Decompression Cadaver Workshop** *Feb 2007*
Instructor and lecturer of Percutaneous disc decompression to Pain physicians, Orthopedists and Neurosurgeons
The Center for Ambulatory Resources (CARES)
St. Peter's University Hospital, NJ
- Italian Conference on Minimally invasive Spine Treatment** *Nov 2006*
Lectured on Percutaneous disc decompression techniques to Orthopedists and Spine surgeons
Rome, Italy
- Overview of Cancer Pain Management** *Oct 2006*
Grand Round presentation to the Department of Oncology
St. Peter's University Hospital, NJ
- Interventional Pain Medicine Cadaver Workshop** *Aug 2006*
Primary instructor and lecturer of a weekend cadaver course for Pain Fellows & Attending physicians
The Center for Ambulatory Resources (CARES)
St. Peter's University Hospital, NJ
- Update in Interventional Pain Medicine** *Aug 2006*

Grand Round presentation to the Department of Internal Medicine
St. Peter's University Hospital, NJ

Latest Advances in Pain Medicine

Jul 2006

Grand Round presentation to the Department of Family Medicine
St. Peter's University Hospital, NJ

**Percutaneous Disc Decompression Cadaver Workshop Using
the SpineJet Microresector**

Mar 2006

Primary instructor and lecturer of a weekend cadaver course for
Pain Fellows & Attendings and Orthopedic Residents
SUNY Syracuse School of Medicine, NY

Percutaneous HydroDiscectomy; A promising new technology

Feb 2006

Presented percutaneous disc decompression using HydroDiscectomy to
Interventional Pain Physicians and Orthopedic Surgeons
New York, NY

Percutaneous HydroDiscectomy; Preliminary Results

Nov 2005

Presented early results of patients that have undergone percutaneous
HydroDiscectomy to Interventional Pain Physicians
Boston, MA

Evaluation and Management of Chronic Pelvic Pain

Mar 2005

Grand Round presentation to Pain Management Fellows and Attendings
Columbia College of Physicians and Surgeons/St. Luke's Roosevelt Hospital
New York, NY

Selective Topics in Pediatric Pain Management

Dec 2003

Grand Round presentation to the Department of Anesthesiology
SUNY Downstate Medical Center, NY

**Anesthetic Considerations for Premature Infants with Necrotizing
Enterocolitis**

Oct 2002

Grand Round presentation to the Department of Anesthesiology
SUNY Downstate Medical Center, NY

HONORS:

Department of Anesthesiology

May 2000

Robert Wood Johnson Medical School
Award for Academic Excellence in Anesthesiology

HOSPITAL AFFILIATIONS:

Director of Pain Medicine Services, St. Peter's University Hospital, NJ
Robert Wood Johnson Surgical Center, NJ
JFK Medical Center, NJ
Muhlenberg Regional Medical Center
The Center for Ambulatory Resources (CARES)

PROFESSIONAL AFFILIATIONS:

Director at Large, New Jersey Society of Interventional Pain Physicians
American Medical Association
American Society of Anesthesiologists
American Academy of Pain Management
Medical Society of New Jersey
Middlesex County Medical Society
